

MORE DELEGATES  
GIVEN TAFTCOMMITTEE ADDS TWENTY-FOUR  
TO PRESIDENT'S LIST.

Sixteen Are From Alabama and Eight From Arkansas—Session Was Marked by an Unexpected Peace and on Some Motions Vote Was Unanimous—Senator Borah Showed Some Heat.

Chicago, June 7.—Twenty-four delegates from Alabama and Arkansas were added today to the Taft column by the action of the Republican national committee upon the so-called Roosevelt contests from those states. All of the contests presented before the committee today were decided in Taft's favor, and in all but two the decision of the committee was unanimous although one roll call test apparently had shown fifteen anti-Taft votes. The cases decided today were those of the six delegates at large and the two each in the first and second districts of Arkansas. There remained to be heard of the Arkansas contests, those in the third, fourth, fifth and seventh districts.

The contest over the six delegates at large from Arizona was postponed until a later day on motion of Committee member Penrose, of Pennsylvania. In view of the bitter feeling between the Taft and Roosevelt adherents the meeting was surprisingly peaceful, although it opened with a degree of friction, which, however, failed to materialize.

This contest arose over a renewal by Senator Borah, of Idaho, on his motion of yesterday which would permit only eight members of the committee to demand a roll call instead of twenty, as provided by the existing rules.

Denys T. Flynn of Oklahoma, holding at the time the proxy of Committee member Flanagan of Nevada, moved to delay the Borah motion. Mr. Borah wanted to debate the motion, but Chairman Roosevelt declared it undebatable as a proposition of parliamentary law.

"I don't intend to be choked off by a gag this early in the campaign," said Senator Borah, with some show of heat, "and I will either have my say here, or I will occupy such a position that this convention will make no progress."

"This committee will conduct its proceedings under the usual parliamentary rules," said Mr. Roosevelt, with marked dignity.

"But you shall not adopt any rule or gag by laying motions on the table this early in the campaign," retorted the Idaho senator.

The committee proceeded to lay the Borah motion on the table by a viva-voce vote and then Mr. Borah was permitted to continue, which he did as follows:

"Mr. Chairman, we will not make any progress here. Now I know that you have a steam roller. I don't even desire to cushion the steam roller. I am perfectly willing that the steam roller shall operate, but I want to say here and now, that it will be known to the country that it does operate, how it operates, and who is operating it. Men who have not the moral courage to record their vote before the people of this country are not worthy to represent the great Republican organization of these United States.

"Men who have not the manhood to stand up here and state for whom they are going to vote, how they are going to vote, are evidently acting as—"

Mr. Borah was interrupted by the chairman, who declared him out of order. It was made plain very soon after this that even though Mr. Borah's motion had been tabled the majority intended to give the minority a roll call on demand, on any question. Penrose, Crane and others of the Taft faction repeatedly joined Mr. Borah and his colleagues in the minority in asking for a roll call and they always got it.

The test vote came in the case of the ninth Alabama district, in which Taft delegates were selected by a vote of thirty-eight to twenty.

These fifteen were Knight, California; DuPont, Delaware; Borah, Idaho; Lowden, Illinois; Burnam, Kentucky; Wright, Louisiana (whose vote was cast by E. W. Thibierge); Kellogg, of Minnesota; Rosewater, Nebraska; Flanagan, Nevada (whose proxy was held at that time by L. N. Littauer); Ward, New York; Capers, South Carolina; Thorson, of South Dakota; Monday, Tennessee; Loose, Utah and Bieber, District of Columbia.

Neither Rosewater nor Lowden voted yesterday with the anti-Taft people in the test then recorded.

An incident of the day was the rejection by unanimous vote of the brief of J. A. Comer of Little Rock, in the Arkansas delegates at large case, on the ground that it contained "indecent and insulting language."

Members of the committee said later that the proper regard must be shown for the dignity of the court by which these cases were being heard.

Tomorrow's work will begin with the Flanagan, Arkansas cases, and these probably will be followed by the Florida cases, the case of the two delegates from the fourth district of California, who are contested by the Taft faction will not be heard until Monday as the parties cannot reach here in time for tomorrow's session.

The Florida cases cover the six delegates at large and two from each of the first, second and third districts.

FOR MILITARY  
PREPARATIONSHOUSE RATIFIES EXPENDITURE  
OF MILLION DOLLARS.Word That U. S. Might Send Troops  
to Cuba Creates Profound Sensation—President Gomez Remains Silent on Situation.

Havana, June 7.—The house of representatives this afternoon ratified the action of the senate of Tuesday, authorizing President Gomez to expend \$1,000,000 to cover the extraordinary military preparations.

Publication by afternoon papers of despatches stating that the American war department may send an expedition of 5,000 troops to the province of Oriente created a profound popular sensation, the general impression being that such a movement was indicative of active intervention.

President Gomez to night declined to comment on this phase of the situation on the ground that he has not yet received official notification of the intention of the United States to send troops to Cuba.

The government still is without news from the zone of hostilities in Oriente, beyond reports of trifling skirmishes.

The presence of American forces in the vicinity of Guantanamo apparently has had no effect on the activities of the insurgents, who last night attacked and burned a village eight miles from Guantanamo.

There is much speculation here regarding the sudden departure to day of Col. Orestes Ferrara, speaker of the house of representatives for Key West. The impression is general that he is going to Washington as the special representative of President Gomez to President Taft.

night exhorting members of the  
national committee.

"The roll was called on the ninth Alabama district," says the statement, "I was not prepared to believe that a majority of the national committee was prepared to deliberately to murder the Republican party."

Nation Must Know Truth.

"This nation might as well know the truth. Three minutes before the roll was called on this contest, Senator Murray Crane of Massachusetts walked over to Mr. Stevenson of Colorado, who holds the proxy of Senator Scott of West Virginia, and said to him:

"You simply cannot afford to go on record in this case against seating the Roosevelt delegates; the case is so plain the country will not stand for it."

"Mr. Stevenson replied: 'We have to do it. Of course there is no justification in fact but if once we establish a precedent we will have to yield in other cases.'

Theft Cold Blooded.

"The theft was cold blooded, premeditated and deliberate. With the record of the roll call of the ninth Alabama congressional district I now deliberately charge that a majority of the national committee in violation of their sacred trust as trustees of the Republican party in fact and tradition entered into an agreement among themselves to unseat all and every Roosevelt delegate regardless of right."

"In his bitterness at being repudiated by the Republican voters, Mr. Taft has now determined if possible to wreck the party rather than permit to win with Col. Roosevelt as his candidate. But the national committee is not the national convention, and will be seen."

Mr. Stevenson denies absolutely the conversation attributed to him and W. Murray Crane, agent the Ninth Alabama delegation, and said he would demand that it be made right tomorrow.

A contest filed in the fourth California district developed tonight is intended to affect the entire delegation from California, Oregon and North Dakota, involving forty-six delegates. Among the delegates involved are the two "suffragettes" from California pledged to Roosevelt. The contest which assails the legality of the states primary law on the ground that its provisions are not in harmony with the rules laid down by the election of delegates in the official call of the national committee directly affects Col. Roosevelt, who carried California and Oregon, and Senator La Follette, who was victorious in North Dakota.

The question at issue is the right of a state to enact a law making the state rather than the district the unit in the election of delegates to a national convention. S. Fred Hogue of San Francisco, who arrived here tonight as the representative of the Taft executive committee of California to look after the contest in the fourth district of that state, intimates that the national committee's ruling in this case would have a direct bearing in the case of every state where the delegates were chosen at large by direct vote.

Roosevelt leaders declare that the contention is purely technical.

It is said that platforms diametrically opposite will be presented to the committee convention by the Taft and Roosevelt forces. The Taft resolutions intended for insertion in the party platform will be conservative in tone and make a feature of a constitutional government plank in addition to urging supplemental legislation to the Sherman anti-trust act authorizing national control of corporations.

The Roosevelt platform it is said will give careful consideration to the trust problem and be prepared in a large part by the colonel himself.

TESTIMONY IN BANK  
CASE DRAMATIC"MONEY TRUST" INVESTIGATION  
DISCLOSES DAMAGING TACTICS.President of Oriental Bank Tells  
Story of New York Clearing House  
Proceedings—Panic of 1907 is  
Reviewed in Connection With  
Case.

New York, June 7.—Testimony intended to show how the power of the New York clearing house committee was used to "force a solvent bank to the wall during the aftermath of the panic of 1907, with the result that the "fair reputation" of its president was "blasted" was dramatically presented today before the Pujos committee of the house of representatives which is investigating the so-called "money trust."

The bank around which the testimony centered was the Oriental, organized in 1853, and one of the charter members of the clearing house association, but it was testified that three other banks, the Bank of North America and the New Amsterdam National bank, in both of which Charles Morse was interested and the Mechanics and Traders, were similarly entangled through the action of the clearing house to close, although all proved to have been solvent.

Financial Decrease Result.

Their financial decrease was the result, it was testified, of a demand made by the clearing house committee three months after the panic, when they redeemed their clearing house loan certificates and in the case of the Oriental followed a promise that the association would stand by it "to the last ditch."

R. W. Jones, president of the Oriental at the time of the panic said that early in the panic in October, 1907, he was summoned before the national clearing house committee and told the Oriental must stay clearing for three months, member banks, including two Brooklyn institutions which were under legal investigation.

Story of Oriental Bank.  
Mr. Jones said that the withdrawal of the balances of these banks under the prevailing strained financial conditions would cause "serious trouble" to his institution, but the clearing house committee was obdurate. At his request the clearing house agreed to tide him over with a loan after a clearing house committee had examined the bank's condition and found it "entirely satisfactory."

The Oriental discontinued clearing for the Brooklyn banks, and they closed, it was testified. Mr. Jones became ill with pneumonia and it was reported he was to be indicted in connection with the investigation of the Brooklyn banks, and that he was shamming illness.

These rumors caused a run on the Oriental, and the clearing house committee, according to the testimony demanded Jones' resignation and that the late Hugh Kelly succeeded him. This was consented to after a promise had been given Kelly by the chairman of the clearing house committee that the association would stand behind the Oriental.

According to the letter which was produced, "a number of gentlemen of high places in financial affairs sat in judgment upon him (Mr. Jones) by their fellow member, and concluded their deliberations with the following sentence: 'That the board of directors of the Oriental bank must at once accept Mr. Jones' resignation of the presidency and elect another president in his place.'"

Fair Reputation Blasted.  
"Thus in a moment the letter continued without excuse other than the statement of financial affairs in fact that Mr. Jones was either already indicted or would be indicted that day, was a fair reputation blasted, and the work of a life time of energy, appreciation and honest dealing destroyed."

On January 1, the testimony went in, a demand was made that the Oriental retire its outstanding clearing house certificates before February 6. In previous periods of financial unbusiness these certificates compelled the Oriental to close its doors.

"Within ten days of the closing of the bank the depositors had been paid and its clearing house loan certificates retired all by its own resources. Thus is itsolvency proven."

It was brought out that at the time of its suspension the Oriental had collateral up with the clearing house for twice the value of its loan certificates that it liquidated assets twice the value of its capitalization and that at the time its troubles began, was paying twelve per cent dividends.

FERRARA SILENT.

Key West, June 7.—Orestes Ferrara, speaker of the Cuban house of representatives accompanied by his wife arrived here this afternoon and left immediately for the east. Senator Ferrara declared he was going to New York on personal business and declined to discuss in any manner the disturbed conditions in the island republic.

ARMY PREPARES  
TO ASSIST NAVYCuban Government Noted Tithing  
American Life and Property Must  
Be Protected Else Intervention  
Will Be Result.

Washington, June 6.—The army today took steps to share with the navy in the American demonstration in Cuba.

Early in the day the general staff gave a preliminary test to the machine it has constructed when it issued orders to the quartermaster general to put in readiness for Cuban service the four big army transports, at Newport News and at the same time notified the property military officers at the various army posts where are located the organizations which go to make up the "expeditionary force" to have the men ready to entrain at a moment's notice. Within six hours, word came that the big transports were ready with full supplies and augmented crews, to sail the moment troops were placed aboard.

Word for troops and transports to start will not be given until it is shown that marines now in Cuba are insufficient to afford necessary protection or that conditions in the island had assumed such a phase as to demand political intervention. The Cuban government has already received warnings from Washington and yesterday a message was sent to President Gomez that a continued failure on the part of his government adequately to protect life and property will inevitably compel the government to intervene into Cuba under and in response to its treaty rights and obligations.

Late today a message was sent to the commander at Fort D. A. Russell Wyoming to have signal corps company I in readiness for a possible voyage to Cuba. This company consists of about 100 men, mounted and carries full equipment including field wireless sets. An ambulance company also was ordered prepared.

Major General Wood, chief of staff, said that the places of embarkation for the "expeditionary force" if it were despatched to Cuba would be New York, Savannah, Ga., and Tampa, Florida.

BATTLESHIPS ARRIVE.

Santiago, Cuba, June 7.—The United States battleships Ohio and Minnesota arrived at the American naval station at Guantanamo to day with the second regiment of marines on board. The auxiliary cruiser Prairie has relieved orders to take fifty marines to Manzanillo.

Gumboat Eagle came to port here to day with 55 marines. The Paducah also is here awaiting orders.

FOR MISUSE OF MAELS.

Augusta, Ga., June 7.—Thomas Watson, former Populist leader and presidential candidate, was bound over under \$500 here to day for sending obscene matter through the mails.

MAKES SUCCESSFUL FLIGHT.

Quincy, Ill., June 7.—Dieder Masson, aviator, made a beautiful trial flight over the business section of this city late this afternoon. His machine worked perfectly and he circled the city several times at an altitude of about 5,000.

ONE BODY FOUND.

St. Johns, June 7.—The steamer Algeron which was sent out by the White Star line to search for bodies of the Titanic victims, returned today with one body aboard. The body could not be identified and will be buried here.

TROUBLE REPORTS  
WORRY STONESENATOR-AT-ARMS ASKS  
POLICE PROTECTION FOR COM-  
MITTEE SESSION.Rumors That Certain Roosevelt  
Leaders Planned Intimidating  
Methods Caused Action—Colonel  
Now Discredits Stories—McKinley  
Says Perkins Has Been Sent For  
to Enforce Reason.

Chicago, June 7.—Col. William F. Stone, sergeant-at-arms of the Republican national convention, tonight appealed to Mayor Harrison for police protection at tomorrow's sessions of the national committee, which is conducting contest hearings at the Coliseum.

Colonel Stone's action he said, was prompted by reports that certain Roosevelt leaders had prepared to take steps to intimidate the membership of the committee in its deliberations on the contests.

Other members of the committee, including Col. Harry S. New of Indiana, Senator Murray Crane of Massachusetts, Senator Newell Sanborn of Tennessee, said that they had heard the reports of a planned Roosevelt demonstration at the committee room during the hearings.

"There will be no 'rough house,'" said Colonel Stone, "Neither will there be any demonstration permitted on the outside of the Coliseum. Inactive measures will be adopted if anything of the kind is attempted. I have asked the city authorities for a police protection at the committee hearings."

Colonel New said he had heard reports of possible pending trouble, but was loath to believe them.

"Such a report as this," said Colonel New, "seems to me incredible. Certainly no one is foolish enough to believe anything can be gained for cause by the adoption of such methods."

Bluffs Will Not Do.  
"And surely no one who knows the members of the national committee is going to believe that they can be bluffed or terrorized by any mob or bunch of thugs that can be mustered. Mind you, I do not believe that anything of the sort will be attempted as surely some one in the crowd has intellect enough to head off any of the sort if any misguided individual should attempt it. However, depend upon it, if anything of the kind is attempted the individuals behind it will live to regret of their folly."

"This is supposed to be a national Republican convention, and not a prize ring or a bear garden, and the dignity and good order of its proceedings will be enforced peacefully, but if anyone attempts to employ force of any kind he will find his methods resisted with such vigor to make the outcome very different from what had been intended."

United States Senator Joseph Dixon of Montana, Colonel Roosevelt's campaign manager declined to discuss these reports when the matter was called to his attention.

Charles Flynn is Trouble Maker.

Congressman William B. McKinley, director of the national Taft bureau, specified William Flynn of Pittsburgh, as the Roosevelt leader who, he said he had been informed was expected to start trouble. Mr. McKinley also stated that he had received reliable information to the effect that George W. Perkins of New York, had been called to Chicago by certain Roosevelt members of the national committee to lead off any possible disturbance.

Flynn is expected to reach Chicago this morning. Senator Dixon said that if he could procure a proxy in the national committee he would give it to Flynn.

Former United States Senator James A. Hemenway of Indiana, whose seat in the convention is contested, arrived today and took an active part in the conferences at the Taft headquarters.

United States Senator Newlands of Nevada and Senator Clark of Wyoming also arrived today.

VOLCANO ASHES FALLING.

Cardova, Alaska, June 7.—Volcano ashes are falling thickly over this city, showing that the heavy cannonading heard in the mountains all last night was the noise of a volcano in eruption. The time between the cannonading and the fall of the ashes here was so short that it is believed the volcano is the redoubt of the Blinn Mountain in the Cook inlet country.

FRIEGHT ADVANCE SUSPENDED.

Washington, June 7.—An advance on class freight rates by the Chicago, Milwaukee & St. Paul railway in the states of North Dakota, South Dakota and Iowa, ranging from about 19 cents a hundred pounds today was suspended by the interstate commerce commission.

Protests received from shippers induced the commission to order an investigation of the proposed increases.

THOUSANDS AT DEDICATION.

Washington, June 7.—Thousands of Knights of Columbus and other visitors crowded Washington to night in advance of the dedication of the national memorial to Christopher Columbus tomorrow.

A party of Knights, headed by Supreme Knight James A. Flaherty, visited Mount Vernon this afternoon and laid a wreath on the tomb of Washington.

KERN CONTINUED  
LORIMER SPEECHINDIANA SENATOR SPOKE FOR  
THREE HOURS FRIDAY BUT  
FAILED TO FINISH.Spent Time in Critical Analysis of  
Testimony—Sought to Impeach  
Testimony of Edward Hines—Said  
White Was Not as Bad as He Had  
Been Pictured.

Washington, June 7.—Senator Kern of Indiana spoke for three hours to day in support of the resolution unseating Mr. Lorimer, of Illinois, but again failed to conclude his remarks. The entire speech was devoted to an examination of the testimony with the view of showing that many new facts of an incriminating nature had been brought out by the second investigation. He sought, among other things, to impeach the testimony of Edward Hines, attempting to show that he had been unduly active in Mr. Lorimer's behalf. He will conclude tomorrow.

Mr. Kern declared that many members of the Illinois legislature, including Senator Holshaw and Charles A. White, had received large sums, about the time that money of the interest of Lorimer is alleged to have been used. He critically analyzed the testimony of various Democratic members of the Illinois legislature. He said, notwithstanding William C. Blair, was known to be impecunious, he had exhibited a number of \$100 bills after a visit to Thomas Tiptott, a Lorimer supporter, and he had pushed the claim of John D. Wells that he got \$200 used for purchase of a piece of land from a family hide.

He also declared it suspicious that so many members of the legislature hired safety deposit boxes soon after the Lorimer election.

Senator Kern contended that all doubt had been removed from the confession of Senator Holshaw to the effect that he received money from Senator Broderick for voting for Lorimer. Charles A. White, the Democratic member of the house, whose confession was the basis of the domestic Lorimer inquiry, Senator Kern said, was not as black as he had been pictured.

Mr. Kern undertook to show White's connection with Lorimer and Browne by quoting letters from Browne promising employment for White through Lorimer, a promise which he said was made to please White.

Lorimer Asks Question.

"Will the senator indicate in what part of the record he finds any suggestion that Lorimer was trying to please White?" asked Mr. Lorimer, speaking of himself in the third person.

Mr. Kern replied that this was shown by the correspondence in which it appeared that Mr. Browne had promised a federal place and had actually obtained a place in Cook county for White through Mr. Lorimer.

"Would you have the senate understand that a senator's effort to obtain a position for a member of the legislature who had voted for him as an evidence of corruption?" asked Lorimer.

"Standing by itself, not taken in connection with a thousand other circumstances, yes," replied Mr. Kern.

START PRACTICE DRILL.

Dubuque, Iowa, June 7.—The practice drills of the provisional regiment of the United States army to day were witnessed by about 50,000 persons.

The regiment, consisting of more than 2,000, men made a magnificent showing in a parade through the streets and in the maneuvers two miles north of the city.

The campaign at Summer Hill, south of the city, overlooks the Mississippi river and is near the Tomb of Julien Dubuque, the first white settler in Iowa.

Col. Getty and other army experts who are here state that the experiment so far, has proven a decided success, but the real test of the new regiment on a federal place will be ordered in the maneuvers two miles north of the city.

Pro where the troops will march to Madison, Wis., and thence to the National Practice Grounds at Sparta.

TO PRESERVE ORDER.

Middleton, Conn., June 7.—A detachment of cavalrymen arrived to night to assist the police in preserving order during the strike of mill operatives. In a clash between police and strikers early to day several persons were hurt and many arrests were made.

NO NEW DEVELOPMENTS.

Los Angeles, Cal., June 7.—To day's proceedings at the trial of Clarence S. Darrow for alleged jury tampering consisted principally of obstructive tactics with defense and prosecution alternating in the blocking of attempts of opposing attorneys to elicit new facts from Bert T. Franklin, who was on the stand the entire day. There were no new developments to day.

OUTBREAK IN RIOTING.

Boston, June 7.—Rioting broke out again this evening in connection with the strike of employees of the Boston Elevated Street Railway company which began this morning. Disturbances occurred in Cambridge and South Boston. In one outbreak Cambridge, three policemen were badly beaten and a revolver shot was fired at the conductor of a stalled car. Several arrests were made.

HARD BLOWS GIVEN  
COMMERCE COURTSUPREME COURT IN UNANIMOUS  
OPINION SAYS IT HAS NO NEW  
AND STRANGE POWERS.Cannot Substitute Its Decision for  
the Inter-State Commerce Com-  
mission in Administration of Rate  
Laws—Holding Made in Proctor  
and Gamble Case.

Washington, June 7.—Blow after blow was given the new commerce court to day by the supreme court of the United States, which upheld the exclusive jurisdiction of the interstate-commerce commission over the administration machinery of the federal rate laws. The principal decision was announced by Chief Justice White in the so-called "Proctor and Gamble case." He was sustained by the entire court.

In substance he held that the commerce court was not to substitute its judgment for the interstate-commerce commission in the administration of the rate laws.

The specific point ruled upon was that parties who failed to get relief before the interstate-commerce commission have no right to go into the commerce court and have that court pass upon the facts to ascertain if they should have been granted relief.

In the course of his opinion Chief Justice White, however, went further. He showed that the commerce court was not to elicit "new and strange" powers, but succeeded in the powers of the circuit courts in existence when the commerce court was created and that the commerce court was limited in reviewing the commission's orders to questions of law. In cases yet to be passed upon, it is claimed that the commerce court when out of the domain of law and gave its judgment on pure questions of fact.

Chief Justice White stated the question for decision to be whether the authority of the commerce court was confined to enforcing and retraining, as the case might be, affirmative orders of the commission, or whether it had the power to exert its own judgment by original interpretation of the act to regulate commerce and upon that assumption to grant relief as an affirmative order accordingly pass upon its correctness.

Both from the words of the act creating the commerce court and from the general scheme of rate regulation, the chief justice said it was to be seen that the commerce court had no such broad powers as it claimed to possess.

To adopt the view of the commerce court as to its jurisdiction, Chief Justice White said, would be to overthrow the system of rate regulation adopted by congress.

TO PREVENT FIGHT PICTURES.

Washington, June 7.—To prevent the reproduction by moving pictures of the Johnson-Flynn prize fight July 4, the house commerce committee reported favorably the bill of Representative Rodenberry of Georgia, Democrat, prohibiting the shipment of films between states.

A similar bill has been introduced in the senate.

TO CONTINUE TARIFF BOARD.

Washington, June 7.—The house today voted 72 to 47, not to include in the sundry civil appropriation bill the money necessary to continue President Taft's tariff board during the coming fiscal year. The vote was preceded by a debate that grew acrimonious at times and was strictly along party lines.

### STUDENTS LEAVE FOR SUMMER WORK

Illinois College Graduates Will Enter Various Fields—Three to Study Law.

Several hundred students have departed from the city within the past week, some going to their homes while many are going out into different lines of work for the summer expecting to earn enough to bring them back to the colleges here or to take them into some university for further study. Each summer the local schools and Jacksonville are represented in many parts of the United States by these young people.

Twenty-one young people graduated this week from Illinois college. Of this number six will either enter the teaching profession or go into business, while the others are looking forward to further study in the universities.

Forrest Sleekin left Friday for Dixon to visit with relatives before going to Chicago, where he has applied for a position in a wholesale hardware establishment. W. K. Vaughn will spend the summer at his home in Lawrenceville and in the fall expects to enter the Washington University Medical school in St. Louis. Garm Norbury left last night for Springfield to visit with his parents a few days before going to Champaign to attend the summer school of the university. Mr. Norbury expects to take the scientific course at the university and will probably later take up the study of medicine. Barker Noll has gone to Stockton in northern Illinois to see about a position in a school for which he has made application. Albert Swain will spend the summer on the farm of his father near Sinclair and will probably enter some university in the fall. Ralph Davis and A. Gummshelmer both expect to teach this winter. Mr. Gummshelmer has a position as teacher of modern languages and coach in athletics in a Missouri college. L. C. Clowes will depart soon for the east to take up a business position with a railroad company. A. M. Jackson will continue in the insurance business in this city. John M. Phillips expects to enter the Boston Theological school in the fall. Robert Smith is working on a farm near Virginia. He expects to teach this fall. Arthur Warren will return to Illinois college to take up special work in classics, looking forward to obtaining a master's degree. George W. Turner, Roy Hedzcock and Arthur Kingsley expect to take up the study of law and Julian Capos will be at Princeton next fall where he has a fellowship. Of the young ladies in the class, Miss Emma MacLeonhardt expects to teach. She will spend the summer at her home near Bluff Springs. Miss Eleanor Capos will spend the summer in Michigan. Miss Lillian Havenhill intends to enter the School for Librarians at the University of Illinois.

### HELD ANNUAL PICNIC

The annual picnic for the pupils of the Industrial school, which is under the auspices of the Woman's Christian association, was held Friday at a picnic ground near the school. The pupils of the school with their three teachers and a few other people made up the party and the afternoon was very enjoyably spent. The picnic served as a sort of celebration of the fortieth anniversary of the organization of the class. It was forty years ago that the Woman's Christian association came into existence and that same year the class was formed. Through all these years a good work has been done and the indications are that it will continue for many more years. The women active in the work devote a great deal of time unselfishly to it and the results have been very gratifying.

### GUARDIAN WAS APPOINTED

The case of Lola Babers, a dependent child, was heard Friday by Judge Brockhouse and Miss Emma Weller was appointed as guardian. Some months ago Lola, who is a daughter of Abe Babers of Meredosia, left her home it is said on account of not being able to get along with her stepmother and went to live with Mr. and Mrs. William Summers, who gave her employment and kind treatment. Mr. and Mrs. Summers kept a boarding house and they decided to give it up they told the girl that they could not afford to keep her any longer, and that she had become attached to her that they decided to make arrangements for her if she would provide her own clothing. To this the child's father objected and tried to compel her to return and live with him. Mr. Babers lives in a house boat a greater part of the time and also in tents. It was shown that his home would not be desirable for the girl and Miss Weller was appointed as guardian and will see that she has the proper kind of a home. The child returned home with Mr. and Mrs. Summers. She is about 16 years of age and is very attractive in her manners and shows marked evidences of refinement. She has many friends in the Meredosia neighborhood, who are greatly interested in her.

### RETURNED FROM FLORIDA

Prof. G. W. Brown has returned from a vacation stay of several months in Florida. Prof. Brown is a very enthusiastic fisherman and he made some splendid catches while away, and has brought home documentary evidence of his skill in angling in the shape of photographs of some very fine strings he caught at one time and another.

Frank Phillips, who has been teaching in the Bloomington high school has arrived home for the summer months.

### RETURN FROM CONVENTION

Rev. J. W. Miller, Dr. J. R. Barker and Rev. H. S. Alkire returned Friday afternoon from Astoria, where they have been attending the district convention of the Epworth league. There was a large delegation at the convention this year and the program was one of the best ever given. In the oratorical contest, Harold McCormick of Virginia and Miss Ruth Want of Greenfield won first; Marvin Adams and Miss Nellie Starks of Meredosia were second. Miss Ethel Reeve of Brooklyn church was third, acquitting herself with much credit in the delivery of her oration. The report showed also that the Brooklyn chapter was one of the star chapters in the district.

### SOCIAL AT BROOKLYN

The Brotherhood class of Brooklyn Sunday school gave a very successful ice cream and strawberry festival Friday night at the church. During the evening a splendid musical program was given and the hours were thus made pleasant for all who attended. A substantial sum was realized from the affair.

## THE BLESSING OF MOTHERHOOD

### Healthy Mothers and Children Make Happy Homes

Motherhood is woman's highest sphere in life. It is the fruition of her dearest hopes and greatest desires; yet thousands of noble women through some derangement have been denied this blessing.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

San Antonio, Texas. "To all women who desire to have children in their homes and to be well and happy I recommend Lydia E. Pinkham's Vegetable Compound. I suffered from a displacement and other female weakness. Lydia E. Pinkham's Vegetable Compound was the only remedy that ever helped me, and now I am a happy mother and highly recommend your medicine to all my friends."—Mrs. A. B. MARTINEZ, 121 S. Laredo St., San Antonio, Texas.

Brooklyn, N.Y. "I was ailing all the time and did not know what the matter was. I wanted a baby but my health would not permit it. I was nervous, my side ached and I was all run down. I heard that Lydia E. Pinkham's Vegetable Compound was good and took the medicine. I have now a beautiful baby and your Compound has helped me in every way."—Mrs. J. J. STEWART, 239 Humboldt St., Brooklyn, N.Y.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

The Lawn Mower That Actually Cuts Nails

A row of Nails was driven in the flour and run over by a "Pennsylvania" Quality Lawn Mower. Each nail was clipped in two as easily and cleanly as if done with tinsmith shears.

The "Pennsylvania" is the only mower that can do this without injury to its cutting knives, because it is the only mower in which all the blades are of crucible tool steel, hardened and tempered in oil—the same kind of steel that is used for tools requiring the keenest cutting edges.

This is the reason why

**"PENNSYLVANIA" QUALITY Lawn Mowers**

are positively self-sharpening—why the blades are always in first-class cutting condition.

**OXEN RUN AWAY.**

Danville, Ill., June 6.—Frah McArde, aged 78, died yesterday from a broken back received while attempting to save a grandchild from injury when his yoke of oxen ran away at his home near Grape Creek. He had resided in one place for 76 years and clung to the old ox team in preference to modern methods.

**HONORS FOR DR. HARKER.**

Dr. Joseph R. Harker received notice Friday from Bishop Wilson that he had been appointed a member of the board of education of the Methodist Episcopal church, at the recent meeting of the general conference of the church held in Minneapolis. The appointment is one of much honor. There are thirty-six members on this board.

Remember Knives when you want the best bargains in clothing.

**FIREMEN RESIGN.**

Members of the Virginia fire department have resigned. The members sent their resignations to the city council, who accepted the same. The men resented new regulations governing the membership of the department. It is the intention of the fire committee to reorganize the department with a smaller membership. Those resigning were Charles M. Plummer, E. E. Kihnam, engineer; Walter Kikendall, hose chief; Jack Mullin, William Mullin, late Weaver, Albert Black, James Hankins, B. K. Simmons, Edward Hudson and Bert Reither.

Mrs. M. A. McLaughlin, 512 Jay St., La Crosse, Wis., writes that she suffered all kinds of pains in her back and hips on account of kidney trouble and rheumatism. "I got some of Foley's Kidney Pills and after taking them for a few days there was a wonderful change in my case, for the pain entirely left my back and hips and I am thankful there is such a medicine as Foley's Kidney Pills." J. A. Obermeyer, City Drug Store.

**HAD NARROW ESCAPE.**

The 6-year-old child of Mr. and Mrs. Dan Keating of South Main street came near being run over by a street car Friday afternoon and only the prompt action of Motorman Newt Donovan saved it. As the car was going south the child, who was playing on the street, suddenly started to cross the tracks. Motorman Donovan realizing the imminent danger in which the child was put immediately threw on the brake. T. H. Buckhorpe, who witnessed the near accident, says that this is not the first time that the presence of mind of Mr. Donovan has been the means of avoiding accidents, which might have been very serious. Such motormen are certainly deserving of commendation.

**HAD PICNIC AT PARK.**

Several of the classes of the State School for the Deaf held a picnic Friday afternoon at Nichols park. The school work is now practically completed and the children and young people accompanied by their teachers greatly enjoyed the outing.

E. Petress, for whose arrest a warrant was issued Thursday, was brought to this city Friday from Bloomington. He was taken before "Squire Dyer" and in default of \$500 bond for his appearance June 12 he was committed to the county jail. He was arrested on the charge of larceny.

**WILL MEET TODAY.**

The executive committee of the Morgan County Sunday School association will meet this morning at 11:45 o'clock at the Y. M. C. A. to make preparations for the annual convention which is to be held at Litchberry, August 29 and 30. One of the questions to be discussed at the meeting will be whether or not the association shall put out a field worker for two weeks in the hope of increasing interest in the sessions of the convention. It is the desire to have a very large attendance this year especially on account of the fact that Hugh Cook, general secretary of the Sunday School association, is to be the principal speaker.

## Pictorial Review Patterns for July Are Now on Sale

The midsummer styles of these celebrated patterns are doubtless the most charming creations ever put out by any pattern concern, and the woman who has a garment of any description to make does herself an injustice if she fails to see a Pictorial Fashion book first.

You can tell a Pictorial style anywhere you see it—always refined—graceful, out of the ordinary.

The strike of the horse-drawers at Joliet is still on and the gap between the men and employers seems to get wider.

The men's class of the Methodist Sunday school at Jerseyville and the men's class of the Methodist Sunday school at Litchfield have undertaken a contest to continue six weeks.

William G. Gillespie, professional of the County club at Riverside, and Miss Martha Strickling of Lyons were married almost on the run in Justice Goodspeed's court at Joliet and hastened out to see the Elks' parade as fast as they could go.

Grundy county owes Joseph H. Francis \$331.75, a sum turned back to the county when he left the office of sheriff in 1906. The books were hidden and only recently came to light.

Roddy Meyer of Troy township, Will county, has invented a grain stacker after several years' work. It is said to perform the work of three men and is a very useful machine.

A Peoria lad and children were left alone one night, when a burglar tried to enter the house and was making good headway through a window, when a peo dog raised such a commotion that the man was frightened away.

W. R. Lane, alias F. L. Morrison, advertised for a girl between 17 and 21 to sell show tickets and a young girl answered. She consulted Police-man Jack Dayton, who advised her to accept the offer and she was about to leave for Morrison when she was intercepted and Dayton was dismissed from the force. He claimed he was deceived by Morrison, whom he thought all right.

William Clark, a farmer of Assumption, committed suicide by taking carbolic acid.

## ROOSEVELT SAYS HE WANTS ONLY JUSTICE

Former President Takes Cheerful View of National Committee's Action Today.

Oyster Bay, June 7.—Justice, and no more than justice," is all he wants from the Republican national committee, Colonel Roosevelt said tonight. After hearing what happened in Chicago today, when the contests from Alabama were decided by the committee the former president spoke as though he were well satisfied with the situation.

Colonel Roosevelt indicated that it was his purpose to give his managers a free hand in fighting for contested delegates, and would trust to their judgment. At all times, however, he will keep in touch with the fight as each move is made, by means of his private telegraph and telephone wires to Chicago. So far the Alabama contests are concerned, he said he was willing to abide by whatever decisions his men in Chicago reached.

"I told my managers before they went to Chicago," he said, "that I did not expect any of the delegates' contests to be decided for me. I was not entitled to. I said I wanted justice and no more than justice."

"In Alabama I thought one district was for me."

The colonel reached into an inside pocket, and taking out a sheet of paper showed one line which read: "Tatt 22; Roosevelt 2."

This he said showed he had not counted on more than two delegates from Alabama.

Whether Colonel Roosevelt is as good as ever from being decided today, in response to all rumors, he simply said that he did not know.

## TERACHI TELLS STORY.

Zoul, Korea, June 7.—General Count Terachi, Japanese governor general of Korea, quietly visited Piongyang today and met the American missionaries to whom he explained the Japanese government's attitude in Christian movement in Korea.

Count Terachi said that the stories concerning a conspiracy on the part of Korean Christians against his life were unquestionably true but that the most leniency had been exercised toward those having connection with it. He gave the missionaries his personal assurances that there had been no tortures of prisoners.

Count Terachi said the government exonerated the missionaries from any connection with the conspiracy against him and told them that he would co-operate with them in their movement. The missionaries in return expressed their deep satisfaction with the governor general and their confidence in him.

## WILSON HAD SLADE.

Piqua, N. Y., June 7.—Matt Wells, the English light-weight champion, and Booz Wilson of Utica fought ten rounds here tonight. Wilson succeeded in keeping up a splendid defense and neither man landed a telling blow. Wilson had the better of the fighting.

## REASON FOR RESIGNATION.

Tacoma, Wash., June 7.—Louis W. Hill, who recently resigned as president of the Great Northern railway, said tonight he had received a telegram from his father, James J. Hill, stating that he had resigned as chairman of the board of directors of the Great Northern in favor of Louis Hill.

## FIGHT TO A DRAW.

San Francisco, June 7.—Sailor Pettrosky and Jack Fitzgerald of Omaha, middle-weights, fought four last rounds here tonight. Pettrosky had an advantage in weight and floored Fitzgerald heavily in the second, but Fitzgerald came back strong in the last two rounds that he earned a draw.

## FIRING FROM AIR SUCCESSFUL.

Washington, June 7.—The firing tests attempted by army aviators from an aeroplane were successfully accomplished to day at the army aviation field, College Park, Md. Capt. Charles De Chandler, firing forty shots from a distance of 250 feet in the first phase of the target five times. He used an automatic machine gun.

In Germany the right to strike is withheld from employees of municipal gas and water supplies and railways.

## FOR JULY FOURTH.

Suggestions Made For a Sane Celebration.

The Educational Press says that William Chauncy Langdon, connected with the recreation division of the Russell Sage foundation, has proposed a new form of celebrating the Fourth of July which gives promise of doing away with a great deal of the noise, the terror and the calamity which has come to mark the ordinary celebrations of that day. The Press says:

"Moreover, the program offered by him will increase the interest, the dignity and the patriotic character of the day. The details of his suggestion are contained in a pamphlet of 56 pages. The general plan is to represent by pageants on some large open ground interesting incidents and events in the history of America. This is a realistic statement of his program of music and pageants:

Music—The Red, White and Blue. I Pageant—The Approach of Liberty. (Symbolical).

Music—Hail Columbia. II Pageant—The Declaration of Independence—1776. (Realistic).

Music—Hymn of Liberty. III Pageant—The Triumph of Freedom After the Revolution. (Procession).

Music—Yankee Doodle, Battle Hymn of the Republic and Dixie. IV Pageant—Between the Lines

during the Civil War—1863. (Realistic).

V Pageant—The Reunion of the Blue and the Gray. (Procession).

Music—Battle Hymn of the Republic and The Swanee River. VI Pageant—The Struggle For a Better National Life—1912. (Realistic).

Music—America. VII Pageant—The Exaltation of America. (Symbolical).

Music—The Star Spangled Banner. "It is easy for one with the least bit of imagination to see what a real patriotic celebration could be projected along these lines. Are there not communities in the state of Illinois which can act upon these suggestions?"

ATTORNEY ASSASSINATED. Washington, June 7.—Attorney Frederick Pierpont Shaw, representative of the Chicago Title and Trust company, who was acting under the orders of the federal court for the northern district of Illinois, in the case of the Central American Commercial company, was assassinated June 5, at Black River, Trilona, Honduras. The American legation, in reporting the matter to the state department states that the assassin, who was not named has been captured.

ENTERTAIN GERMAN FLEET. Newport News, Va., June 7.—Five hundred officers and men of the German fleet, now at anchor in Hampton Roads were guests to day of the Newport News and Old Point Railway company. The visitors left

their ships at noon and boarded special cars at Old Point for a visit to the plant of the Newport News Shipbuilding company. Later they went to Buckner Beach, where they were entertained throughout the afternoon. At the shipyard the Germans took particular interest in the Brooklyn, which was recently launched here for the United States government.

The vessels of the fleet, the battleship cruiser Moltke and cruisers Bremen and Stettin, are scheduled to sail for New York tomorrow afternoon at 3 o'clock and will arrive Sunday afternoon.

BANK PRESIDENT GUILTY. New York, June 7.—Herbert T. Jennings, president of the defunct Mt Vernon National bank, was found guilty to night of misapplication of the funds of the bank and was sentenced to six years' imprisonment in the federal penitentiary at Atlanta, Ga. Samuel K. Raymond, cashier of the institution, who was jointly indicted and tried with Jennings, was found guilty, but his sentence was suspended.

The government at the trial, alleged that the two prisoners had obtained about \$400,000 from the bank by means of dummy loans and used the funds in "wildcat" enterprises, while brought about the collapse of the bank.

## **STUDENTS CATALOGUED.**

Card System Will Be Established All Over Country for Statistical Purposes.

Every child in the elementary city schools of the United States is to be card catalogued, and a running history of his entire school career in the grades kept permanently on file, according to plans formulated by investigators, whose report has just been issued for free distribution by the United States Bureau of Education. Although this plan has just been inaugurated, it has the approval of the National Education association, while some 300 cities have already begun to keep the cards. Eventually, it is anticipated, about 6,000,000 pupils will be thus tabulated.

With the new card catalogue system in full operation throughout the country, definite and scientific answer can be made to a large number of questions, the solution to which must now be guessed in a large measure. How many times has a given child been detained in a grade? How many backward, average, or retarded children are there in a given city's schools? How does this showing compare with other cities? Does foreign birth affect progress? If so, how? Does kindergarten training help a child through the grades? How does absence from school affect progress?

These and other like questions can be answered readily and accurately when the new cumulative card index, in which every young American has his place can be drawn upon for the information.

The form of card contains the following entries, among others: Age of child, date of admission to school, grade, days present, health, conduct, scholarship, place of birth, vaccinated, name and occupation of parent or guardian.

As the child moves from grade to grade, or from building to building, the card containing his past record will follow him, as will also be the case even if he should move from one city to another. In this way, his entire past and present in school will be checked off against each other, point by point and year by year.

In addition to introducing the cumulative index card as a means of keeping the school history of every American child, the committee of investigators has also drawn up a uniform method of reporting fiscal statistics, so that costs may be computed upon the same universal basis.

The new scheme of school statistics was drawn up by a committee appointed by the department of superintendence of the National Education association, working in co-operation with the United States Bureau of Education. The result of their labors is issued as a government document under the title "Report of the Committee on Uniform Records and Reports," and will be sent free upon request to the United States Commissioner of Education, Department of the Interior, Washington, D. C.

**FIXED RATE FOR HEARING.**

The board of local improvement held a meeting Friday and by resolution fixed June 20 for hearing on the proposed East State street pavement. A great deal of the East State street pavement is in bad condition and the purpose is to pave from Centery church to the railroad tracks, and from Johnson street to the city limits. If this work is done it will mean that State street will be paved from Johnson street to Vine street which will include that part of the street under the Wabash subway and the county would be compelled to pay for this part of the improvement work. The persons who have reason to approach the city from the east will heartily approve of this paving plan as the highway is often in very bad condition between Johnson and Vine streets, while it is entirely passable elsewhere.

**GAVE ENTERTAINMENT.**

Prof. J. H. Rayhill, Sr., returned Friday from Eureka, where he gave an evening's entertainment under the auspices of the Christian Endeavor society of the Presbyterian church. Prof. Rayhill was a former teacher in Eureka and he was greeted by a large audience, who highly complimented him on his readings.

## **DEATHS AND FUNERALS**

**Hubbs.**

Albert Hubbs died at his home three miles east of Prentice at 1:50 Friday morning.

Mr. Hubbs was 38 years and one month old at the time of his death. He was a farmer and had lived the greater part of his life in the north part of this county. He was a steady upright man, a good neighbor kind in his family and well respected by all who knew him. He leaves a wife, two sons, Lester and Lee, two daughters, Lena and Ma, his father, John Hubbs, of whom he was the youngest son, died nine years ago. He leaves four half brothers, John and Alonzo of Ashland, J. H. of Prentice and P. B. Swift of Jacksonville; also three sisters, Mrs. Melissa Leonard of Wichita, Kansas; Mrs. Ina Holmes of Ashland and Mrs. Dora Graves of Prentice. He was a member of the Christian church at Ashland.

The funeral will be conducted at Prentice today at two p. m. by Rev. Morgan and Rev. J. C. Elwood, both of Ashland. Interment will be in Yatesville cemetery.

**Smith.**

John W. Smith died at 7:40 o'clock Thursday evening at the Jacksonville state hospital, at the age of 55 years. He was admitted to the hospital May 26, 1906. The remains were taken to Reynolds funeral parlors and were sent Friday to Quincy, where funeral services will be held and interment will be made.

**Black.**

The funeral of John Black, who died Tuesday at the Jacksonville state hospital, was held Friday afternoon with interment in Diamond Grove cemetery. Mr. Black was brought to the hospital from Montgomery county.

**Riggins.**

Mrs. William Riggins, a former resident of this city, died at her late home in Springfield Friday evening at 7 o'clock. The remains will be brought to this city today for burial and will be taken to the home of Mrs. Flora German, 621 S. Fayette street. Interment will be made in Diamond Grove cemetery, the time of the funeral to be announced later. Mrs. Riggins was about 58 years of age and besides her husband is survived by one son, Leslie.

**Kelley.**

Mrs. Blanche Edler Kelley died at 12 o'clock, noon, Friday, at the home of her parents, Mr. and Mrs. Stephen Evans, 1231 South East street, following a lingering illness of several months.

Blanche Evans, daughter of Stephen D. and Nancy Evans, was born Feb. 26, 1858, in this city. She was married October 29, 1911, in Keokuk, Iowa, to Arthur W. Kelley, who survives her. She is also survived by her parents, two sisters, Mrs. Mary Goodwin and Mrs. Elizabeth Boston, and four brothers, William A., of Jacksonville, John T. of Peoria, Oliver D. of Springfield, and Herman of this city.

The deceased was a member of Central Christian church and a young lady of beautiful Christian character, by reason of her kind and gentle disposition she endeared herself to many friends and the news of her death will be received with much regret.

The funeral will be held at 2:30 o'clock Sunday afternoon from the residence, 1231 South East street. Interment will be in Diamond Grove cemetery.

**Magill.**

Mrs. John S. Magill died Friday evening at 6 o'clock at the hospital, after a long illness, at the age of 72 years. She was the daughter of Mr. and Mrs. James Hurst, her maiden name being Mary E. Hurst, and was born in Jacksonville, Dec. 11, 1840. She attended the Illinois Woman's college until 15 years of age. Her marriage to J. Henry Elliott took place Jan. 8, 1856. To this union seven children were born, one of whom survives, Charles H. Elliott of this city. Mr. Elliott died July 1, 1871. The family lived for 16 years in Cincinnati, O., and in Lafayette, Ind., where Mr. Elliott was engaged in the railroad business. On Sept. 8, 1877, she was married to John S. Magill and since that time resided in Jacksonville. Mr. Magill survives his wife, also one sister, Mrs. Sarah Burk of Bayonne, New Jersey. Mrs. Magill was a woman of refinement, beautiful character and lovable disposition. Her acquaintance was large and her death will be learned with much sorrow. During her illness she received every tender and loving administration from her husband and son.

Mr. and Mrs. Elliott and Mr. Magill reside at 231 1/2 West State street, and the remains were taken to the undertaking parlors of J. G. Reynolds, where those wishing to review the remains may do so at any time this afternoon.

The funeral services will be conducted Sunday afternoon at 2 o'clock from Centenary M. E. church, in charge of Rev. P. A. McCarty. Interment will be made in Diamond Grove cemetery.

**Williamson.**

Miss Alice Williamson died recently at her home in Philadelphia, Pa. She was a daughter of the late J. H. Williamson and the family for many years lived in this city. Miss Williamson receiving her education in the Jacksonville high school. She is survived by one sister, Miss Elizabeth Williamson, and a brother, Dr. James Williamson, both of Philadelphia. J. B. Williamson of this city is an uncle of the deceased.

**Tanner-Jones.**

The Columbia, Mo., Daily Herald, in speaking of the marriage of Harry Tanner and Miss Ruth Jones has the following to say:

"At the home of the bride's parents, Dr. and Mrs. W. A. Jones, 1619 Windsor, at 7:30 o'clock Saturday evening, the Rev. Grover C. Aker of Kansas City, Mo., said the words that united the lives of Miss Ruth Jones, of this city, and Mr. Harry L. Tanner of White Hall, Ill. The bride and groom left on the 9 o'clock Wabash train for their future home in White Hall.

"The bride came to Columbia several years ago with her parents, and since her residence here has endeared herself to many friends. She is a young woman of the most gracious and charming manners. Miss Jones attended the university, and is accomplished and versatile.

"The groom is a young man of color and industrious habits, and is employed as a linotype operator on the White Hall Republican. He is an accomplished musician, and was for some time a student in the music department of Illinois college, which is located at Jacksonville, where he received instruction in voice, piano and violin.

"Miss Helen Jones, sister of the bride, was bridesmaid, and Mr. L. L. Simpson of Beardstown, Ill., was the groom's best man. Miss Edna Vosseller of White Hall, Ill., sang "The Hour That Gave Me You" and "Believe Me If All Those Endearing Young Charms." She was accompanied on the piano by Miss Esther Jones.

The out-of-town guests were Mr. and Mrs. Woodson Tanner, father and mother of the groom, and Miss Helen and M. Lester Maxey of Mt. Vernon, Ill.

These young people will leave Columbia followed by the best wishes of their many friends for a long and happy married life.

**Jolly-Westings.**  
James M. Jolly and Miss Zenia Westings, both of Franklin, were married Friday afternoon by Judge E. P. Brockhouse at his office in the court house. The groom is a son of A. P. Jolly of Franklin and the newly married young people are to begin housekeeping at once in that town.

### SOCIAL EVENTS.

Mrs. Nellie Gunn entertained at dinner Friday at her home, west of the city, for her uncle, Col. George English of Kansas City, who has been visiting relatives in the city and attending on a tour of Illinois colleges. Among the guests was Stephen R. Capps, who was a classmate of Col. English.

Misses Florence and Sadie Irlam gave a miscellaneous shower Friday afternoon at their home near Woodson in honor of Miss Jane Martin Russell, who is soon to wed. Rev. George White of Polson, Mont. The decorations were very attractive and appropriate, a large rainbow being stretched over the table, cleverly suggesting the "rainbow" after a shower, as the bride-to-be. The afternoon was spent in a delightful social manner, music being a feature of the entertainment. An elegant two-course luncheon was served. There were about twenty-five guests, all of whom were members of the Gleaners.

Announcement of the engagement of Miss Kathleen Sage, daughter of J. M. Sage of East Morton avenue, to Mr. Fred Frankie of St. Louis, was made at a hostess shower given for Miss Sage Thursday evening at the home of Miss Lucy Gray on West College avenue. The house was decorated in a color scheme of pink and white and the announcement was made through the use of dainty slippers on which were printed the initials of the young people. The evening was spent in a social way and in the prize contest, first honors were won by Miss Susan Sage.

The wedding will take place Saturday, June 15, at 6 o'clock at the home of the groom's parents, Mr. and Mrs. August Frankie, 1637 Stanton Place.

The new nurses home at the Jacksonville State hospital is well described in the report of the state charities commission as follows:  
"The state believes in good homes for its employees at the various charitable institutions.

"A new building, erected for this purpose at the Jacksonville hospital is typical.

"The structure is one of the most attractive, architecturally, among all of Illinois' institutional buildings.

"It has been constructed of red pressed brick, with red joints, white overhanging eaves, and a lighter red roof, with semi-dormer windows on the third floor.

"When completed the building will form three sides of a square. "Standing in the center of the square is the large kitchen, connected by covered corridors with both sides of the building.

"The north pavilion, facing the lawn will be occupied by the first floor by dining rooms. The ceiling is beamed in antique oak. The pillars have been enclosed in antique oak and the walls paneled in the same material to a distance of six feet from the floor. Casement windows on both the north and south sides afford a flood of light and cross ventilation. The walls will be tinted in appropriate colors. The floors above the dining room are divided into quarters arranged along both sides of a corridor. These rooms are larger than the others and have private lavatories.

"The wings extending south at right angles are three stories high and are devoted to quarters exclusively. On each floor are bath and toilet facilities of the most modern pattern. At the south end of the wings are stairs leading to the first floor, where there is a rear entrance and exit.

"The basement has been completed. A portion of it will be used for storage, a portion for private laundry and another portion for storage of vegetables.

"Each side will have its own entrance from a small stone pillared porch. The vestibule has been laid in terrazzo and finished in pine. Directly in front of the doors are the stairs leading to the second floor to the right, the dining room and to the left, the corridor of the quarters.

#### GOVERNMENT HELPLESS.

Tampa, Fla., June 7.—H. F. Yost, an American in business at Sancti Spiritus, Cuba, who arrived here to day, declared the belief is general among Americans and other foreigners on the island that the government cannot control the revolutionists. He said the tobacco raisers are selling their crops in the field at 25 to 30 per cent of their value.

#### DIES FROM INJURIES.

Bloomington, Ill., June 8.—Joseph Weidner died this morning from injuries received last evening when an automobile in which he was riding was struck by an Alton train near here. Walter Price, his companion, is in a serious condition.

#### CAN PROHIBIT POOL ROOMS.

Washington, June 7.—The right of a city to pass an ordinance prohibiting the running of a pool room within its limits was upheld today by the supreme court. The point arose over the alleged violation of such an ordinance passed by South Pasadena, Calif.

#### HADLEY CALLED TO CHICAGO.

Kansas City, Mo., June 7.—Gov. Herbert Hadley of Missouri was called to Chicago late tonight by a telegram from Senator Dixon, in charge of Colonel Roosevelt's campaign. Governor Hadley will take charge of Missouri contests.

### BOTH LEGS BROKEN

John Brennan Receives Serious Injuries When Scaffold Breaks, Lifting Him Fall Thirty Feet.

John Brennan, roofer for Brennan's hardware store, had both legs broken and sustained other injuries, which were less serious, Friday morning at 10 o'clock when he fell from the roof of the new Conboy residence on Greenwood avenue, a distance of thirty feet. The right leg was broken just above the knee and the other one nearer the body. Mr. Brennan had one finger badly cut, his arm was lacerated and several teeth were also knocked out. When all circumstances are considered it seems fortunate that his injuries were not worse. His fall was unbroken and he alighted only a short distance from a pile of bricks and other building material, landing on the hard earth, flat footed. Terrance Brennan was on the roof with him when the scaffold broke and was thrown from his position, but managed to catch himself on a carpenter's scaffold, thus saving himself.

The injured man was at once taken up by the carpenters and the other men working about the place, and everything was done to administer to his comfort. Mrs. William Standish had him placed on the Davenport in her home and the expedient manner in which she met the situation was worthy of much commendation. J. P. Brennan, who was notified of the accident, had an ambulance sent out and he himself soon reached the place. He had his brother taken at once to Our Saviour's hospital, where Mrs. Hargrove, Campbell and Norris gave him all needed attention. Last night he was resting as well as could be expected.

#### HANDS OUT DIPLOMAS.

President Taft Gives Certificates to Naval Academy Graduates.

Annapolis, Md., June 7.—After a brief address and the presentation of diplomas to members of the graduating class by President Taft this afternoon, the festivities of "June Week" at the naval academy closed to night with the farewell ball given by the members of next year's graduating class to those who to day officially covered their connection with the institution. The president arrived after the exercises had begun in the big armory. In a three minute address the president reminded the new naval officers of the record of the American navy, and urged them to live up to its traditions. He referred to the graduates of the naval academy as men who have a slight advantage over those who did not, at West Point, because of the fact that the American people seem to feel there is a greater need for a big navy than a big army. President Taft handed to each graduate his diploma. Then, escorted by Troop A of the Maryland National Guard, he rode to the state executive mansion, where he paid a brief visit to Governor Goldsborough before boarding his special train for Washington, at 5:15 o'clock.

#### HUBBARD LAID TO REST.

Sioux City, Iowa, June 7.—Sioux City and the nation this afternoon paid final honor to Congressman Elbert H. Hubbard, deceased. National respect for the late congressman was extended by a delegation from the United States senate and house. The condoleance of Iowa was expressed by the attendance at the funeral of all the state colleagues of the late Mr. Hubbard in the house, and the presence of political and personal friends from various sections of the state.

The auditorium of the First Presbyterian church, where the ceremony was held, was filled to overflowing. The church services were in charge of Rev. Wallace M. Hamilton, pastor, who pronounced the eulogy.

Interment was in the Hubbard family plot at Floyd cemetery.

#### POSTAL SAVINGS DEPOSITS.

Washington, D. C., June 7.—Statistics made public to day by Postmaster General Hitchcock show that \$7,025,745, or a trifle more than two-fifths of the postal savings deposits in the country have been made in 33 cities, having a population of 100,000 or more each. New York leads with \$976,749, and Chicago is second with \$951,662.

### NOTED AVIATORS AND SPEED BURNERS

Are to Race Here Wednesday and Thursday at Driving Park.

Didier Masson the intrepid French aviator and Fred Hoover, the noted German flier, are to fly here next Wednesday and Thursday in connection with exciting automobile and motorcycle races. Both Masson and Hoover are fliers of international reputation as both men have reputations that extend in this country and abroad. Such aerial contests as quick starting, accuracy in landing, speed and altitude tests, bomb dropping, sending and receiving wireless messages and special other features will constitute each day's flying contests. Masson flies a Farman type bi-plane equipped with a 60 horse power Gnome motor. This machine is considered to be one of the fastest machines in the country. Masson has flown over more cities than any other living aviator. He flew over Paris, Bordeaux, Peseur, Madrid, Barcelona, San Francisco, Oakland, Santa Barbara, Los Angeles, Galesburg, Sterling, Dixon, Albia, Batzer, and yesterday made a spectacular flight over the city of Quincy, reaching an altitude of 6,000 feet. Hoover rides a Curtis type bi-plane, equipped with a 50 horse power Hall Scott motor and he is renowned for the altitude he reaches while in flight.

Spectacular automobile and motorcycle races are to take place in connection with the aeroplane contests. Such speedy cars as the Marquette Buick, piloted by Gerald Wondelick, the speed king and holder of the one mile speed record for the state of Illinois. Also the Warren Detroit piloted by Blitzen Price, the Ford piloted by E. O'Brien and the Inter-State piloted by Dick Wilson and several other high speed cars are to compete in the automobile races. The motorcycle races will be as interesting and spectacular as the rest of the performance as some speedy machines driven by some of the expert riders in the country are to participate in the motorcycle races. This production comes here highly recommended from every town it has shown and it is without a doubt the greatest performance ever seen in this vicinity.

## Woman's Power

Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo, N.Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for woman's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and builds. Medicine dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit.

## As "Ed" Howe Sees Life

Many a man will do privately what he will denounce in a crowd. If there is one thing that a man should do in private, it is his loving.

A man thinks a lot of things he doesn't know.

You think you are as modest as a flower, but probably the neighbors say you have nerve to burn.

Old people often say to the young: "You haven't had any trouble yet."

I have many unusual notions, but so far I have never wanted to adopt a child from an orphan asylum.

Deserve the good opinion of those who think well of you.

It is not only greedy to expect more than is coming to you; it is foolish, since you'll not get it.

Expect your friends to be as considerate of you as you are of them, and no more.

I don't care much for the man who is nothing but a good fellow.

Charges against a man in office are as readily accepted as charges against a stepmother.

## TRADE IS BETTER

Reviews by Financial Agencies Shows Improved Conditions.

New York, June 7.—R. G. Dun & Co.'s Weekly Review of Trade tomorrow will say:

The outlook for the movement of trade is clearly revealed by the statistics of bank clearings, railroad earnings and pig-iron production. On the other hand, in number of defaults and amount of liabilities the May record of commercial failures, while better as compared with previous months of this year, was unfavorable as compared with corresponding months in most of the preceding years. The advances from the iron and steel trade constitute the most encouraging feature of the industrial situation. There was a remarkable increase in the production of iron and steel in May, and with the prospect of adequate crops the reasonable outlook is for a high water mark activity this year. The great basic industry with an advance of prices not unlikely. Undoubtedly business sentiment and business enterprise are still held in check by solicitude regarding the growing crops and the pending economic controversies but they are not standing idle, by any means.

The primary markets for drygoods, jewelry and retailers are fairly active. Improved weather conditions having assisted distribution and stimulated the demand for goods for immediate consumption.

Trade in seasonal footwear continues to be active and many new orders are booked out and fall and winter contracts are no longer owing. It is to the question of price, and some manufacturers lack new business. Pronounced strength continues and all descriptions of sole and upper leather are active.

Bradstreet's.

New York, June 7.—Bradstreet's tomorrow will say: For the more seasonable weather and the progress of the crops toward points where progress itself can be measured are responsible for a further expansion in the volume of that distributive trade. This is, of course, most marked in retail trade in the larger cities and industrial centers and less so in the country districts, where farmers still are wrestling with the obstacles imposed by an almost uniformly late planting and growing season. Drygoods and light summer wearing apparel are feeling the stimulus of the weather and some re-order business is being engaged by jobbers, who also find an additional impetus to trade in semi-annual mark-down sales to close out stocks of summer goods.

There is a fair trade in fall goods but this is governed by a studied conservatism bred of political uncertainties and desire for a clear view of crop probabilities. The industries are in rather good shape. Iron and steel report close to maximum production though new demand is not so marked. The building trades show a good increase for May and for the five months, and the coal trade has resumed work and distributions are better. Trade on the Great Lakes is good and promises to be better. Reports from the cotton goods trade still display some of the enormous cross currents hitherto noted.

Some lines of goods are closely sold up.

Business failures in the United States for the week ending June 6 were 197 against 231 last week; 232 in the like week of 1911; 189 in 1910; 197 in 1909 and 253 in 1908.

THEY PUT AN END TO IT.  
Charles Sabie, 80 Cook St., Rochester, N. Y., says he recommends Foley's Kidney Pills at every opportunity because they gave him prompt relief from a bad case of kidney trouble that had long bothered him. Such a recommendation coming from Mr. Sabie is direct and convincing evidence of the great curative qualities of Foley's Kidney Pills. J. A. Obermeyer, City Drug Store.

## Fix up your house this spring

It is remarkable for how little money you can beautify and brighten up your home this spring—that is, if we help you.

We are in business here just to make the homes of this community more attractive, both inside and out—better to live in, better to keep, better to sell or rent.

For instance, our paint will make your home look like new. It will last for years and years, and insure your house against decay. Paint is cheaper than lumber and repair bills, and a lot quicker.

Let us advise with you on your painting job. We will help keep your pocketbook fat.

You will probably need new screen doors and windows—and awnings perhaps. And maybe a lawn swing in which to sit on the hot summer days.

No matter what you are thinking of doing for beautifying your home, it will pay you to call and consult with us.

### THREE EYE LEAGUE.

#### Springfield, 4; Peoria, 2.

Springfield, Ill., June 7.—Peoria failed to hit Vetsel with men on bases and lost the opening game to Springfield, 4 to 2. Home runs by Smith and Komers featured. The score:

Springfield.....4 6 4

Peoria.....2 8 3

Batteries—Vetsel and Taaffe; Orth and McCann.

#### Quincy, 7; Decatur, 5.

Decatur, Ill., June 7.—Decatur could not touch Royer except in the eighth inning when a succession of hits coupled with a misjudged fly gave them five runs.

Quincy batted Lakoff and Harper at will.

Score: Quincy.....7 16 2

Decatur.....5 7 4

Batteries—Lakoff, Harper and O'Brien; Royer and Gard.

#### Dubuque, 7; Danville, 2.

Dubuque, Ia., June 7.—The locals today outthrew and outplayed the Danville bunch, securing seven stolen bases of Hildebrand, while the visitors only registered one.

Daring and successful base running coupled with hard and lucky hitting at the right times spelled defeat for Danville.

Dubuque.....7 7 0

Danville.....2 7 0

Batteries—Reynolds and Hildebrand; Gregg and Boucher.

#### Davenport, 4; Bloomington, 2.

Davenport, Ia., June 7.—Although Davenport got but seven hits to Bloomington's nine, they won the opening game of the series, 4 to 2. Bloomington's three errors helped materially in winning.

Score: Davenport.....4 7 0

Bloomington.....2 9 3

Batteries—Hendrix and Coleman; Pickett and Hargrove.

#### Helped to Keep Down Expenses.

Mrs. J. E. Henry, Akron, Mich., tells how she did so: "I was bothered with my kidneys and had to go nearly double. I tried a sample of Foley Kidney Pills and they did me so much good that I bought a bottle and feel that they have saved me a big doctor's bill." J. A. Obermeyer, City drug store.

## Grain Letter.

Wheat—A strong market prevail-  
ing, due to quite sensational crop  
damage reports from the southwest  
and low estimates on the yield in  
the central states. Advice received  
from crop experts indicate that  
the report of severe drought in  
Indiana, Illinois and Missouri pro-  
duction as only 40 million and Ne-  
braska, Kansas and Oklahoma at  
120,000,000 bushels. Pit sentiment  
seems to favor the bull side, but  
there is not enough outside invest-  
ment having to carry the market  
along. While we look for higher  
prices later on, we believe that the  
long side should be only taken for  
the present on share reactions with  
the corn. Stronger sympathy with  
wheat and on the rather cool weather  
in the corn belt. While there are  
a great many reports coming in of  
replanting being necessary, crop ad-  
vices generally are very bullish. It  
is noticeable that cash houses were  
good sellers of July corn. Argentine  
shipments for the past week were  
estimated at close to 5,000,000 bush-  
els. We believe the sale of July  
corn on rally to be profitable.

The highest point of woman's happiness is reached only through motherhood. In the clasping of her child with her arms, yet the mother-to-be is often fearful of nature's ordeal and shrinks from the suffering incident to its consummation. But for nature's ills and discomforts nature provides remedies, and in Mother's Friend is to be found a medicine of great value to every expectant mother. It is an emulsion for external application, composed of ingredients which act with beneficial and soothing effect on those portions of the system involved. It is intended to prepare the system for the crisis, and thus relieve, in great part, the suffering through which the mother usually passes. The regular use of Mother's Friend will repay any mother in the comfort it affords before, and the helpful restoration to health and strength it brings about after baby comes. Mother's Friend is for sale at drug stores. Write for our free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

## EXERCISES FOR CHILDREN'S DAY

Various Churches of the City Will Give Special Program Tomorrow Under Auspices of Sunday Schools.

Several of the Sunday schools of the city are preparing to give programs tomorrow. Those in charge have been working hard for their success, and the public is assured of having something good. The Sunday schools of State street church and Northminster church will give their exercises later on.

**Central Christian Church.**  
The program at the Central Christian church will be under three different departments. Mrs. Frank Brown will have charge of the primary department. Miss Hattie Hadden of the primary department and Miss Esther Carlson of the junior department. The exercises will be held at 9:30 instead of the usual hour of Sunday school at 9:30.

**Grace M. E. Church.**  
The following program will be given by the Sunday school of Grace M. E. church, Sunday morning at 9:30 a.m. In connection with the children's day program, the pastor, Rev. J. W. Miller, will give addresses of the grade report department.

## THE GLORIOUS FOURTH

It Will Be Celebrated in Jacksonville—Let Everybody Help Make it a Grand Success in every way.

A start has been made toward a celebration of the Fourth at Nichols park and enough subscriptions have been secured to call it a success. Full particulars will be given at a later date. There will be fireworks. Everybody take hold and help. Further particulars will be given as ascertained.

**THOUSANDS TO ATTEND.**

Unveiling of Columbus Memorial at Washington Today.

Washington, June 7.—A number of special trains reached the capital today with delegations to attend the unveiling of the great Columbus memorial recently erected on the plaza in front of the union station. The unveiling will take place tomorrow and the event promises to be one of the most notable of its kind that has ever taken place in this country. It is conservatively estimated that 100,000 visitors will be in attendance. They are on their way from every section of the United States and Canada. The most of them are members of the Knights of Columbus, which organization is to have charge of the ceremonies of the day.

The unveiling is to be preceded by a monster street parade, which is expected to equal in numerical importance the presidential inauguration parades. In addition to the Knights of Columbus and other civic bodies the marchers will include thousands of soldiers, sailors and marines. Gen. R. K. Evans, chief of the militia division of the war department, will act as grand marshal.

Secretary of State Knox will preside at the unveiling ceremonies. The invocation will be by Rt. Rev. Mgr. Thomas Sheehan, rector of the Catholic University of America. The initial address will be delivered by Chief Justice Victor J. Bowdoin of the supreme court of the state of New York. Marquis Casati Confalonieri, Italian ambassador to the United States, will then address the assembly. He will also represent active James T. McHenry, who was instrumental in having the Columbus memorial bill passed by congress. The United States Marine band will intersperse the program with musical selections.

**GRADUATION AT ANNAPOLIS.**

Annapolis, Md., June 7.—This was graduation day at the naval academy, and 162 embryo admirals, constituting the largest class in the history of the institution, went forth into the world to serve their country on the seas. The academy grounds were crowded, and all available space in the chapel for visitors was filled. The cadets received their diplomas from the hands of the secretary of the navy, George von L. Meyer. The star member of the graduating class this year was Harold B. Saunders of Michigan.

**GREAT MASS OF PROOF.**

Reports of 30,000 Cases of Kidney Trouble, Some of Them Jacksonville Cases.

Each of some 6,000 newspapers of the United States is publishing from week to week names of people in its particular neighborhood, who have used and recommended Doan's Kidney Pills for kidney backache, weak kidneys, bladder troubles and urinary disorders. This mass of proof indicates over 30,000 testimonials. Jacksonville is no exception. Here is one of the Jacksonville cases.

W. O. O'Connell, 175 S. Clay St., Jacksonville, Ill., says: "For about two years I suffered from attacks of pain in my back and I often felt very lame. My kidneys also gave me considerable trouble. Hearing Doan's Kidney Pills highly spoken of by parties who had used them, I recently procured a supply at Armstrong's Drug Store. Since taking this remedy I have felt much better and have been convinced of its merit. I have no hesitation in recommending Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-McIlburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

**MISS RYAN TO WED.**  
Friends in the city have received invitations to the marriage of Miss Juanita Ryan to Charles W. Colby. The ceremony will take place tomorrow at the home of the bride's parents, Mr. and Mrs. Martin Ryan, at Tacoma, Wash. The Ryan family, until two years ago, resided in Jacksonville.
